Engleman Brought Here To Retrace Dynamite Plot

OPEN MEET SET ON ANNEXATION TALK

THE TOWN RECORD

By MONTE DAYTON

Making a big noise in the sports world is ED CEREGHINO, Daly City's much publicized "bonus baby" of last year (they say the Yanks shelled out about $75,000 clams for him). Now the local horsehide tosser is proving he might be worth every cent of it.

Tuesday he teamed up with another hurler to get the Kansas City Blues back into the win ledger with a 6-2 triumph over the Louisville Colonels.

He had a no-hitter working for five innings—it was ended abruptly when the opposing pitcher, of all people, whammed a ground single into center in the sixth.

Still sporting: GEORGE RANCATORE, son of PHILIP, who was the object of last week's dynamite plot that fizzled, was the hero two days after the incident.

Playing for the Jefferson high frosh-soph team, he let fly with a spectacular peg from the outfield to home squelching a Palo Alto rally, and giving the local team the win that put them in first place.

TOM TROMBORG, local plumber, will be a few feet underground come May 31. Tom has made his annual pilgrimmage to Indianapolis (he left this week) where he will take in the big rac-

(Continued on Page 2)

Schools To Present Musical Program Tonight At Center

Jefferson high and elementary schools will present a varied musical program, featuring orchestral and glee club renditions tonight, beginning at 8 p.m. in the community center.

The presentation winds up the observance of public schools week here, which began Monday.

Parents and interested visitors were conducted through local schools at open houses held during the week.

The program will be opened with several selections by the orchestra, directed by Richard Snyder.

Glee clubs from Jefferson elementary, Crocker, Westlake and Garden Village schools will follow with several numbers.

A boy's chorus, directed by Muriel Vint, will sing "Cowboy Medley."

The band will deliver three numbers, under direction of Richard Snyder.

A clarinet quartet, consisting of Gary Attebery, Ken Averell, Larry Dover and Joan Baird, will present two selections.

Glee clubs from Colma and Benjamin Franklin schools will follow with several renditions, directed by Muriel Vint.

Festival Plans Are Revealed By Mason

Daly City's Spring Festival plans were announced this week by James Mason, recreation director.

The event, to be held May 17 at Jefferson high school, will begin at 12:30 p.m. with a band concert by the Daly City band, directed by George Brenner.

The regular program will commence at 1 p.m., with more than

Kenny Kingston
. . . Festival Emcee

300 local children taking part.

Acting as emcee for the affair will be Kenny Kingston, stage, radio and TV luminary.

Kingston, who toured Europe as the personal master of ceremonies for the late Grace Moore, has appeared with many celebrated performers.

Six booths will be on hand to provide refreshments for the Festival followers.

The event is scheduled to last until about 4 p.m.

Elementary Board Concerned With Annexation Threat

Jefferson elementary school district's board of trustees were mainly concerned with the effects of San Francisco's annexation threat on the district at their recent meeting.

A letter to the board from District Attorney Louis B. Dematteis stated that it was impossible at this time to give an opinion as to the effects the proposed annexation of Westlake and Broadmoor may have on the local district.

However, he said that it is doubtful whether a change of boundaries would be undertaken under the existing provisions for boundary change.

The trustees decided that legislative representatives should be requested to watch progress of the annexation bills and keep the local officials informed of possible effects of the pending legislation on the local district.

In other action the trustees:

1. Directed the board of super-

(Continued on Page 2)

MODEL PLANES ARE HEATED TOPIC AT COUNCIL MEET

One of the largest crowds on record in the past year gathered in the council chambers Monday night to hear out the problem of model plane flying in Marchbanks park.

Approximately 40 model plane enthusiasts were on hand to find out if the council was leaving them stranded without a home.

Just a week earlier the council received a petition from 37 persons in the Marchbanks park area protesting the flying of the planes.

The protestants said the noise of the planes made it "impossible to stay at home or in the vicinity when they are operating."

C. S. Terry, a representative of the flyers said the older hobbists didn't mind being banned from Marchbanks since they could drive to San Bruno or South San Francisco where the sport "is recognized."

But the younger boys, he said, had no transportation.

At a council meeting in February the council gave their approval to flying planes at the park, as long as there was no activity before 10 a.m.

But the recent petition put a new light on the situation.

One member of the audience arose during the meeting and said, "It's like having a vacuum cleaner in your ear."

Another visitor to the chambers brought up the question as to who was responsible in event that a bystander was injured by one of the planes. He said the city might be responsible if they sanctioned use of the park for the planes.

Joe Lewkowitz arose to state that he lived in the adjacent area and, although the planes were noisy, he believed the plane fans should be allowed to continue their educational hobby.

The council moved to put the matter in hands of Dan Andersen, city administrator, and James Mason, recreation director.

Meanwhile the plane enthusiasts will be allowed to continue their operations there until a site is obtained for them.

James Mason, recreation director, said he is working on a plan for securing a site.

PLANNERS WILL VOTE MONDAY ON PG&E SUB-STATION

Daly City's planning commission Monday will be faced with the dilemma of making a recommendation on the PG & E request for establishing a sub-station in the Abbey Homestead.

The company wishes the area zoned light-commercial.

Late last year the commission went on record as opposing the plant, but apparently now will go along with the plan—since the council has also given an informal approval and their vote is final.

However, Sanford Vickers, secretary of the commission, says he

(Continued on Page 2)

High School Aud. Is Site For Discussion

An open meeting on the annexation of Westlake and Broadmoor by San Francisco has been set for Wednesday night at 8 p.m. in the Jefferson high school auditorium.

The meeting was called for Wednesday night at a session of the Broadmoor Property Owners association's board of directors.

According to James McKay, president of the association, purpose of the gathering will be to present the problem of annexation directly to the people.

San Francisco Supervisor Edward Mancuso is scheduled to be present to offer his city's side of the story.

McKay and four other directors met Monday with Mancuso at a luncheon gathering to "gain further enlightenment."

The meeting caused a slight furor among other members of the board, who claimed it was not authorized.

Maryann Read, a director, described McKay's action as a "very unethical way of handling the business of 1200 home owners.

Joe Belli, another member of the board, claimed that McKay went over his head in issuing news of a meeting with Mancuso. Belli is the official publicity representative of the association.

However, apparently in Wednesday night's meeting the bad feeling was ironed out and the remaining members of the board gave their sanction to the open forum, which has been arranged earlier by those meeting with Mancuso.

McKay explained that the members of the board who had more knowledge of law were invited to the Mancuso meeting.

The recent Broadmoor action, meanwhile, may have some bearing on the association's election slated for May 14.

McKay's term as president expires at that time and some of the board members have indicated they will attempt to install George Alexander, also a director, in the president's spot.

COMMUNITY CENTER HEATING JOB GOES TO SCOTT COMPANY

Slowly, but surely, the completion of the community center is becoming a reality.

On Monday night the council awarded contract for installation of heating facilities in the building to L. C. Scott Co., who submitted low bid of $27,400.

Bids were opened at the April 13 meeting, but the council held them over for further study.

Council Sets Hearing On Re-Zoning Matter

A public hearing on the rezoning of property in the Jefferson Park tract will be held May 25 at 8 p.m. in the council chambers.

Joseph Bocci seeks to have the area changed from single-residential zoning to light commercial.

In another zoning matter taken up by the council Monday, Lot 9, Block 294 in the Union Park subdivision was changed from single residential to light commercial.

Engleman, Hunted Man, Gives Self Up

STANLEY ENGLEMAN, 24, walked into the Salinas police station Tuesday and admitted to the bizarre attempt on the life of Philip Rancatore, 58 W. Cavour street. He told police how he purchased the dynamite in Susanville, Calif., then drove near Rancatore's residence and wired the lethal charge containing 12 sticks of explosives. Police had sought Engleman since last Thursday in conection with the plot.

SEWAGE PLANT BOND ELECTION SLATED JUNE 2

A $600,000 sewage bond election, to secure funds for installation of a primary type sewage treatment plant, will be held here June 2, James Kennedy, president of the sanitation district board said this week.

He estimated that the cost of the bonds would be 12 or 13 cents per $100 assessed valuation.

The election will be held in the Northern San Mateo county sanitation district, which includes Daly City, Broadmoor and Colma.

The proposed treatment plant will be built just off Alemany and Lake Merced boulevards in the Westlake section.

Kennedy said the plant, which will contain two clarifier and one digester tanks, would take care of sewage for a population of 40,000.

It will handle the thousands of gallons a day of raw sewage that is now being dumped into the southern end of Thornton beach, he explained.

JEFF HI TRUSTEES HIRE EIGHT NEW TEACHERS

LOCAL POLICE WILL HEAR NARCOTICS TALK BY LAMPORT TUESDAY

Abraham Lamport, inspector for the district attorney's office, will conduct a three-hour discussion Tuesday on narcotics.

The talk will begin at 7 p.m. at the American Legion hall, 474 San Diego avenue.

Members of Daly City's regular and auxiliary police forces will be present.

A similar narcotics study was held recently in South San Francisco.

Jefferson high school's board of trustees Monday night named eight new teachers to serve for the school year 1953-54 and established a new salary scale for beginning teachers.

Teachers hired will partially fill the vacancy left when the board declined to renew contracts of 11 of the school's teachers three weeks ago.

New instructors for next year are: Lynnea Berthelson, English; Mrs. Ruth Anenson, social studies; Mrs. Marion Ebert, English; John Clayton Kollman, social

(Continued on Page 2)

CITIZENS CLUB WILL SELECT NORTH COUNTY'S CITIZEN OF THE YEAR MAY 24

Dan Casentini, president of the Italian-American Citizens Club of Daly City and Colma, announced today that a reorganized committee of members has begun the task of selecting a private citizen deserving the title of "Citizen of the Year of Northern San Mateo County."

This program was started in 1952, but due to the elections and campaigns, the award will be given this year, Sunday, May 24th, at the club's banquet and ball at Colombo auditorium.

Fifteen prominent citizens have already been nominated and the task of choosing one will be difficult, Casentini said. The person selected will be a resident from the north end of the county, presumably Daly City, Colma, Westlake, Broadmoor, etc.

Casentini stated that for many years the north end of the county has produced great and good people in politics, business and in private life. It is time that they are recognized and rewarded for their efforts, he added.

Women, as well as men, will be eligible for the award.

Suggestions and prospective nominees from other organizations

(Continued on Page 2)

THREE EVENTS ARE SCHEDULED AT THE COMMUNITY CENTER

As the completion of the community center nears, more community events are being scheduled monthly at the building.

Following is the schedule of the activities for the coming weeks at the center:

Tonight (Friday) — Public schools music program.

Saturday, May 9 — Firemen's annual ball.

Saturday, Sunday, May 16, 17 — Daly City Youth Hobby show.

GIVES SELF UP TO SALINAS POLICE; ARRAIGNED ON ATTEMPTED MURDER

Twenty-four-year-old Stanley Keith Engleman, who has told police freely of the planting of a bomb in Philip Rancatore's auto last week, was arraigned yesterday (Thursday) on an attempted murder charge.

Preliminary hearing was scheduled for 10 a.m. May 15 in Judge Thomas L. Bocci's municipal court.

Bail was set at $10,000 cash and $20,000 bond.

Yesterday he was returned to Daly City to re-trace his steps in the murder scheme.

Engleman, who walked into the Salinas, California, police station Tuesday and gave himself up after local police had instituted a statewide manhunt, gave as a motive the fact that Rancatore, who lives at 58 W. Cavour, had "made a play for someone near and dear to him."

Identity Secret

Police Chief Roland Petrocchi said Engleman told them who the woman was, but that the identity was going to be kept secret until further investigation.

At first Engleman could give no reason for the planting of the 12 sticks of dynamite in Rancatore's auto, but on later questioning in Salinas by Petrocchi, Lieut. Roy Beecher and Assistant District Attorney Howard Hartley Engleman admitted that he had a motive.

Mrs. Rancatore told THE RECORD today that she couldn't understand why Engleman would do such a thing.

"He's been a friend of the family for five years," she pointed out.

Appeared All Right

Asked if Engleman had ever acted unusual, she said, "No, he appeared to be all right, but he never had any sense of responsibility. He's been like that ever since we've known him.

The fact that Engleman's actions were sometimes inconsistent was born out by local police. They said a carton of gum was found in his car. On questioning he admitted pilfering the gum in a store while buying some cigarettes, although he never chews it.

Police were at a loss to discover how Engleman had lived during past months, being unemployed. He finaly admitted his means of livelihood was "rolling" drunks in San Francisco. A blackjack was found in the '49 Pontiac that he had written a bogus $500 check for.

Further Motive

Additional reason for Engleman's attempt on Rancatore's life was also revealed. Mrs. Ranca-

(Continued on Page 2)

TWO BREAKINS NET BURGLARS $4000 IN LOOT

Burglars broke into two residences last weekend and made off with nearly $4000 worth of loot.

On Friday the home of Peter Faldetta, 76 Elmwood drive, was entered and thieves took some $2646 worth of valuable items, leaving behind less expensive household goods.

Apparently the culprits entered between 3:30 and 9 p.m., while Faldetta was away visiting his mother.

Police said the burglars entered through an unlocked basement window in the rear.

All the rooms of the house and the drawers were ransacked.

Taken were several valuable photographic items, including a projector and a movie camera, as well as a radio, watch, silverware, table cloths, center-pieces, a vacuum cleaner and about 20 other household items.

Thieves earlier broke into the apartment of Wilbur M. McKay, 204 School street, apt. 5, and stole $1131 worth of valuables, hauling them off in two pillow cases found in the house.

Among items taken was a beaver coat valued at $1131. A radio, worth $56, and two pairs of shoes

(Continued on Page 2)

Bids For Firehouse Addition, Booster Pump Called For

Bids for additions to the firehouse at Parkview and Santa Barbara avenue and installation of a booster pump for the local water system were called for Monday night by the council.

They will be opened May 25 at 8 p.m.

Additions to the firehouse will include re-vamping of the present stairway, construction of a dormitory on the second floor, and installation of a fire pole from the top floor to the engine works.

The booster pump will operate from local reservoirs 1 to 2.

Install Gym Equipment At Com. Center

COMMUNITY CENTER'S modern gymnasium takes shape as E. P. Finnigan workers Don Irving and Ernest Davison install hoist ups on basketball backboards. The boards can be hoisted up to the ceiling when not in use, thus allowing the holding of community functions in the gym. Installation of heating facilities are the next step in the gradual completion of the center.

THE RECORD photo

Mr. Roberts' Story

It was nearly five years ago that the city of Daly City became disgruntled with L. V. Roberts for maintaining a "public nuisance" at 96 Mission Circle.

Monday night the various city officials thought things had just about come to a head — since Roberts apparently had not brought his place up to specifications—and ordered him to clean the building up or abatement proceedings would be carried out—and the place would be torn down.

But Roberts, 75, of 765 Ellis street, San Francisco, was a man not to be dealt lightly with.

The near-octagenarian rallied to the front of the council chambers and said indignantly: "The place looks like a million dollars."

"Could Be Fixed"

"Of course," he added, "the garage is a little out of shape, but it could be fixed up easily."

On May 19, 1952, Roberts was ordered by the city to proceed with repairs on the place or face abatement action.

Again on August 20 that year he was again cautioned to get busy.

According to Building Inspector George Hopman, nothing has been done.

"The place is delapidated," Hopman said.

Started 5 Years Ago

Fire Chief Elmer Kennedy add-

(Continued on Page 2)

Arraign Engleman

(Continued from Page 1)

tore said Engleman had been dating their daughter, Barbara, 18, on several occasions, and Rancatore had objected strongly.

"He told him once in no uncertain terms he didn't want him taking her out," Mrs. Rancatore said.

Although they were friends, Rancatore thought Engleman was too old for his daughter.

The quick solution of the bizarre murder plot was in sharp contrast with the dynamite slaying of Tom Keen in San Mateo more than a year ago. Police are still working on the slaying.

Hours Questioning

Petrocchi said the reason the Rancatore case took as long as it did was because they had to investigate so thoroughly to find a motive. Police spent hours grilling all possible persons having any connection with Rancatore, and then spent hours more tracking down their statements for verification.

The law went into concerted action the moment of the discovery of the bomb.

Officer Charles Coleman first responded to the scene of the attempted murder and then Officer Les Bastedo followed to photograph the death trap. Then the remainder of the local grave-yard shift went into action.

Local police, after hours of consecutive grilling of all persons connected with Rancatore, got a lead on Engleman.

Rancatore himself mentioned Engleman as a possible suspect.

Tieing this in with a bad check that Engleman had passed two days earlier, the police sent out an all-points bulletin for his capture.

Hitches To Salinas

Engleman, who resides in San Francisco, hitch-hiked to Salinas Friday, billeting himself in a cheap room there. He attempted to secure work on the lettuce farms in the area.

But after being "scared every time a car stopped or a person turned their head to look at me," Engleman decided it would be easier to give himself up.

Petrocchi responded to Salinas where he and Hartley questioned the suspect intensely. He talked freely, almost calmly, and readily admitted planting the bomb.

The Daly City police chief said he thought Engleman's story was pretty accurate.

However, further investigation will continue to determine if anyone else was connected with the attempt on Rancatore's life.

Citizen Of The Year

(Continued from Page 1)

will be welcomed by the club. Those who wish to give their views should contact Casentini at Plaza 5-1915 before the deadline, which is May 17.

This is believed to be the first of this type of award ever given in this area the citizen's club said.

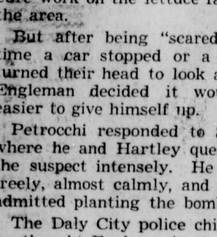
Much enthusiasm has been shown by local residents since this idea has been made public, Casentini explained.

The Citizen's club also wishes it to be known that regardless of race, creed or religion, the one deserving of the honor will be selected.

GOOD ADVICE

Keep your brakes tight and your driving attitudes right, advises the National Automobile Club.

Tom, The Plumber Says:



"Get maximum comfort and service the year 'round! See your plumber at least twice a year! You'll always be singing in the tub!"

Elementary Board

(Continued from Page 1)

visors to sell school district building bonds after June 15. 1953.

2. Accepted the resignation of John Pifer, seventh grade teacher. He resigned because of illness in his family. Neil Christensen of Berkeley was hired to fill the vacancy.

3. Tabled formal acceptance of Garden Village and Ben Franklin schools until a more complete report on construction is made available.

4. Authorized purchase of a vacant lot near Crocker school for $1200. The lot will be part of a parcel of land to be used for the location of a multi-use room to be constructed at the school.

5. Adopted a policy wherein custodian-maintenance workers to be hired in the future must submit officially-taken finger prints.

6. Granted the Broadmoor police department use of the Garden Village multi-use room for boys' club activities.

Two Burglaries

(Continued from Page 1)

costing $75 were also stolen.

There were no visible marks of entry at the front. Police said apparently the suspect used a piece of celluloid or thin card board to trip the bar on the front lock.

Upon gaining entry to the apartment, the burglars used a beer opener or ice box tray pry to break into the chest of drawers in the bedroom closet where the valuables were contained, police declared.

Hire New Teachers

(Continued from Page 1)

studies (Kollman was graduated from Jefferson in 1947); Mrs. Beverly Raab, girls physical education; George Simon, mechanical drawing; William Parker, commercial; Angela Bellante, English.

The resignation of Mrs. Mary Newswanger, physical education instructor, was accepted. She gave her reason for resigning as ill health.

Action by the board on the salary schedule set the wages for inexperienced teachers at $3800 for special credentials (four years of training) and $4000 for those with general credentials (the regular five years of training for high school teachers).

Heretofore the scale had been $3400 and $3600 for the two categories.

Trustees decided to up the pay because the previous schedule failed to attract beginning teachers, the board stated.

The new schedule will apply only to new teachers hired.

The board also called for bids on a 75-passenger bus.

Elmer Kennedy, Daly City fire chief, discussed with the trustees the improvement of fire protection for the school.

His recommendation was that a new six-inch line be run in from Mission street to feed three new hydrants. Present lines, put in for the original building, were deemed inadequate for increased needs.

FIRST FIESTA SEASON

The first fiesta season in Santa Fe in New Mexico was proclaimed on September 16, 1712, according to the National Automobile Club.

PG&E Sub-Station

(Continued from Page 1)

will vote against the station.

He appears to be the lone opponent. Commissioner Tom Tromborg won't be there for the voting, but in a letter to the commission he went in favor of allowing the plant to go in.

Fred Bertetta, chairman of the group, says he'll "go along with the council."

A study of the fire zones in this city will also be undertaken, with and eye toward revising some of the more stringent specifications. The commission will study fire zone set-ups in three different cities to arrive at a "common factor," as Vickers described it.

Also to be studied is the contour map for the new Vista Grande school to be located at Thiers and Lausanne streets.

The application of Winlliam J. Zapettini, who seeks to establish a skating rink in the vicinity of Skyline boulevard, will be considered further. The matter has been held over pending a study of the route to be taken by the proposed Skyline freeway.

CAN BE DANGEROUS

Accelleration is one of the big virtues of the newer automobiles, points out the National Automobile Club. Owners are much impressed by it. Sometimes they are over impressed. As a result of the latter they think to speed up and cut in front of another car in a way that is distinctly dangerous.

Jeane Pierre Blanchard made the first balloon ascension in the United States January 9, 1793.

Roberts' Story

(Continued from Page 1)

ed his testimony to Hopman's: "We've been working on this problem nearly five years now. Roberts has disobeyed nearly every department in the city."

His final analysis was that the place "is just as bad or worse than it's ever been."

To date the building inspector, the fire department and the board of health inspectors have been among the agencies looking askance at Roberts' property.

Attorney Enters

City Attorney Frank Blum also chimed in. "This entire place constitutes a public nuisance," he said. "Not one thing has been done about it. I urge we close this hearing, order a re-inspection and see if we should start abatement proceedings."

"I'll bring this to Superior Court if it's not taken care of," he warned. "Roberts hasn't been cooperative in the least."

The Mission Circle property is a two-story building with apartments upstairs and down. Currently there are tenants in the building.

Among the many city complaints, was that Roberts' building was not properly wired, and that ash cans were left without covers.

No State Law

Roberts' most original answer was that, "There's nothing in the statutes of California that say you have to have electricity."

He pointed out further that he had property in San Francisco that "I wired by myself."

This was on no consequence, the city fathers said judiciously.

They explained to him that certain building, health and fire safety standards had to be complied with.

The fact that lids were left off the garbage cans was a facet of the problem that the tenants should deal with, Robert felt.

To hasten the debate up, the council asked if it wouldn't be possible for Hopman to make an appointment with Roberts to re-inspect the place, which the owner claims has been rehabilitated.

Not His Duty

The city would have to arrange the meeting with tenants, Roberts shrugged.

However, the city disagreed, thinking it was in Roberts' power to arrange for an inspection.

Anyway, after considerable oratory from all sides, the matter was set over for final decision on May 11, following a re-inspection of the "public nuisance."

Roberts parting words were: "You'll change your minds about my place when you see it."

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

Another week—another column. This one is being done with the accompaniment of the drills, jackhammers, etc., that the PG&E is using to dig up and put down the streets. Knowles avenue is getting it's face lifted but good. If someone really would like to invent something that would benefit mankind, why don't they invent a silent pneumatic drill? The nice part is that this is only the beginning. The worst is yet to come.

There are several birthdays that were celebrated in gala fashion this last week. First of all MRS. DOROTHY STEWART of Knowles avenue spent her birthday at the home of her sister where a very nice family dinner was held. Dorothy has been ill all of last week with the flu and all her friends are most happy to see her out again.

MRS. DAISY WOOD, mother of one of Daly City's finest, Dean Wood, celebrated her 69th birthday last week. A real family get together was held at the home of her daughter, MRS. MELVA RODRIGUEZ. All the best wishes for her happiness and many more birthdays are extended by all the neighbors.

HILLCREST CIRCLE No. 143 UAOD held their annual birthday dinner at LYLES on Saturday of last week. This year the dinner was held on the actual birthday and was attended by more than 50 members and their guests. All who were fortunate to attend this affair can attest to the fact that a good time was really had by all.

Items of Interest

The Past Presidents of Daly City Unit No. 410, American Legion Auxiliary spent an enjoyable evening Saturday at the new home of MR. and MRS. A. HANSEN, former residents of Daly City. Luncheon was served and a meeting was held on the patio lawn. Plans were continued for work in the Women's Ward at Palo Alto Veteran's hospital.

One of Daly City's grandest pioneers of business is retiring on May 1st. To most of us she is known as "MAMA LOMBARD." To the rest of us she has been for many years Madam Lombard, owner and proprieter of a French cleaning establishment. "Mama" arrived in Daly City in 1909 and has been in business for over 35 years. She has had several different types of business but in the last many years has had the cleaning establishment that people drop into not only for cleaning but also to just talk to "mama." She is the organizer of Hillcrest Circle No. 143 UAOD and the adopted mother of the Circle. Everyone who knows "Mama Lombard" wishes her well and all the fun in the world now that she has all the time to devote to the many enterprises that she is so well known for. In business she will be missed, but socially we'll be watching for her sunny smile and winning ways. Congratulations to a grand LADY.

All his many friends were just as happy as "Louie" was this week. Louie Cooper threw away his crutches after 18 months of scaring all of us to death every time he crossed a street. The "mighty-mite" is now on his own two strong little legs and if he gets around any faster on them than he did on the crutches, the Army should investigate for jet-propulsion.

A paper has just come home from school which I think all the neighbors will be interested in. April 27 to May 1 is PUBLIC SCHOOLS WEEK. There are many of the neighbors whose children have grown up through all the years of past small schools and small classrooms. Now our population is pushing out the walls of some of the schools that we went to. It is really amazing what the school district has done, and is still doing, to give our children an adequate education. For 33 years the public schools have put on their best dress and invited one and all to come and get acquainted. The old timers will remember when there was just the old Woodrow Wilson (torn down) and the Vista Grande (torn down). Now we have, if not enough room for all, at least the best that Daly City can give. I wonder if the old pioneers of "our town"—H. H. SMITH, J. POKET, A. BRUSH SR, A. HANSEN the VAN HEUSENS, the MICHELSENS, the RICHMANS, the HARPERS, to name a few—know what they have founded for "your children and mine." Many of the present-day teachers once attended the first Daly City schools. So neighbors, I hope you attended at least one of the schools during the week and showed appreciation for the wonderful work that these teachers are doing for our children.

News and Views

MR. and MRS. ED COOK and family returned last week from a month's vacation. They took a trip to Arkansas to see Ed's family and returned by the way of New Mexico where they stopped and visited with his sister. From what is understood of the weather in those two states, the Cooks will probably be happy but frozen by this time.

MRS. STEELE, the beloved "cafeteria lady," is feeling much better now after a long illness. There are so many children who wish her well and want to see her back again that she just has to get better fast. Isn't it wonderful, neighbors, when one can inspire so much love and affection in the children of our town. Mrs. Steele is an example to all of us in the saying, "love the little ones and the rest will follow."

Co. No. 6, Daly City fire department, entertained the ladies of all the other companies on Tuesday of last week at Co. No. 6 fire house. The ladies played whist and the lucky one to go home with the prizes were: MRS. HELEN SPECHT, MRS. AGNES WOOD, MRS. LAURETTE BERTELLI and MRS. SYLVIA KING. Later in the evening the ladies were served refreshments consisting of double decker sandwiches, molded salad, cakes in the form of logs with chocolate frosting. Bet the "fire laddies" wish they could have been there.

While on the subject of the fire department, the smoke chasers are having their annual dance on Saturday, May 9, at the Memorial Hall. The boys have been out for several weeks selling tickes to this affair and if they have missed anyone it will still be easy to get tickets. Just call up any one of the boys and they will be glad to deliver the tickets to you. A good time is always had at these affairs and this years seems like it will be the best yet.

Servicemen

A3/c WILLIAM EDWARD VALENTINO, son of the Sam Valentinos of Westlake avenue, has completed his basic training at Parks Air Force Base and has been assigned to his new base. He is now at Amarillo Air Force Base in Flt. 68, Student Squadron 3278, Jet Mechanic school. Bill attended the public schools and Jefferson high where he will be well remembered by all his friends.

A3/c LANNY PIKE of Bellevue avenue is another Daly City boy to finish his training at Parks Air Force Base and be assigned to Amarillo Air Force Base. Lanny also is in the Jet Mechanic School but is in a different squadron than his friend Bill. Lanny will be at Amarillo for ninety days and then will probably be home on a furlough.

MR. and MRS. ELMER KENNEDY of Vista Grande avenue welcomed their son, PVT JACK KENNEDY home on a three day pass from Camp Roberts this last weekend. Jack has a few weeks more of basic to finish and then he too will probably get a chance to see some other part of the U.S. In the meantime, welcome home, Jack.

The boys come and the boys go, neighbors, so don't let's forget the ever important BLOOD BANK. There is now a drive on and every pint helps. Uncle Sam can furnish the boys with everything that they need except Blood. Ask any serviceman who has come home and he can tell of at least one incident that the having of a pint of blood saved someone's life.

Last But Not Least

NORMAN KENNEDY, formerly of our town, had a christening last week. The latest Kennedy has been called Kathy and the proud godparents are JIMMY and GLADYS KENNEDY. The Kennedy clan all took a trip to Vacaville for the big event. Normie will be well remembered by all the class of '28 who all wish him and his family much happiness with their new daughter.

It's baseball time again and the small fry are just as avid players as are their high school friends. From what we hear OLPH is having a fine team this year. One of the outfielders is MICHAEL BRUSH, who is well known not only for his baseball ability but for an all round interest in sports. Best of luck to all teams. These fellows in the grammar schools really put on some good games and are well worth seeing.

Everyone has heard of the coming HOBBY SHOW for the children of our town. There will be a dinner held in the Druid's Hall, 44 Page street, on Saturday, May 2, which is sponsored by HILLCREST CIRCLE, CYPRESS CIRCLE and OLIVE GROVE DRUIDS. The proceeds of this dinner are going to sponsor the Hobby Show. The dinner will be ham with the trimmings and then there will be entertainment. If you haven't gotten your tickets yet they will accept last minute reservations. For further information call MRS. LYNNE BOSKEY at PL. 5-0902 or PL. 5-1454 in the evenings and she will be glad to accept your reservation for you.

Well, Neighbors, here we are at the end of another week's news. Each new week brings new names so I hope you found something of interest to "your neighbors and mine" in this week's edition. If not, watch and wait, or better still, phone PL. 5-6482 and give me the news. Remember, these papers go to all the four corners of the earth to the servicemen with the compliments of THE RECORD. One never knows just who will be glad to read some little word of someone that they knew at home. 'Bye Now.

FAIR-FIESTA AIDES NAMED—William Wilson, (center) manager of the San Mateo County Fair and Floral Fiesta, today announced the appointment of two key aides to co-ordinate the participation of the Amateur Division in this year's mamoth fair-fiesta. They are Mrs. Paul Whaley (left) of Redwood City, 1953 general chairman, and Mrs. Robert Kahn (right) of San Mateo, who was general chairman in 1952, will serve as counsellor. "We plan to present the most artistic and varied garden displays at this year's Fair-Fiesta ever attempted at any Pacific Coast Garden Show," Mrs. Whaley said today. August 14 through 22 are the dates set for the 1953 San Mateo County Fair and Floral Fiesta.

ANNOUNCE RULES FOR HOBBY SHOW

A myriad of hobbies, ranging from match cover collections to numismatics, will be spotlighted May 16 and 17 in the community center when the first Daly City Youth Hobby show is held.

Mrs. Eva Hobbs, chairman of the event, sponsored by the Daly City Druids organizations, has announced a few changes in the original plans this week.

All hobbies must be brought in Friday night, May 15, (instead of Saturday) to the center in order that the exhibits may be arranged.

The hobbies will be accepted any time after school until 7 p.m. on that day.

Some late entries will be taken in Saturday morning from 9 until 12 noon.

The hobbies also will have to be removed Sunday night by 7 p.m., Mrs. Hobbs said.

Each child entering his hobby in the show will receive a ribbon.

Rules for the show are:

1. Only one entry per person.
2. Applications must be returned to teachers.
3. Hobby must be brought in suitable container or box with the student's name, age and school.
4. No live pets or food of any kind will be allowed.

Additional information may be obtained by calling Mrs. Hobbs, JU 7-9792, or Al Garibaldi, PLaza 5-6746.

Webster Opens Furniture Clearing House In Daly City

NEWEST MERCHANT in Daly City is Mr. Gilbert Webster, owner of the Furniture Clearing House, 6331 Mission street. Webster has been in the furniture business for 15 years. He will deal in both new and used furniture.

LETTERS TO THE EDITOR

The Record welcomes any letter on any event of public, or private interest. These letters are published at no expense to the writer. There are just two requirements: the letters must be signed, and must be within the laws of libel. We hope readers will show enough interest in their city to occasionally "sound off;" for the purpose of this column is to give you, the reader, a chance to express an opinion.

Patients Of Navy Hospital Thank Daly City

To the Editor
The Record
Daly City, Calif.
Dear Sir:

I am writing this letter on behalf of all the patients of Ward "E" to extend our sincere thanks to all the wonderful people of Daly City who have helped to make our time spent in the hospital a more enjoyable one.

We would like to thank the Women's Civic Club of Daly City and all the other organizations and individual people who through their beautiful gifts for each patient and the wonderful Christmas Chow made Ward "E" the prize-winning ward, for the best decorations and the best in Christmas spirit last year.

Also there have been boxes of books, magazines and cookies arriving on the ward over the past year. On Easter we received a huge box of homemade cookies from the Womens Civic Club, and believe me when the patients heard homemade cookies there was a stampede.

So you can see the name of Daly City will long be remembered here. It is a great thrill to receive so many swell gifts from stateside and to know the people back home are thinking of us.

Again to each and everyone of you who have done so many swell things for us, we send our sincere thanks to all of you, from all of us on Ward "E."

Edward C. Boyle Jr.
The patients and staff of
Ward "E," U. S. Naval
Hospital No. 3923
Yokosuka, Japan

April 27, 1953

The Record
3317 San Jose Avenue
Daly City, Calif.

Dear Record Staff:

The Hillside unit wishes to express its gratitude at this time for the cooperation and kindness we have received in the past year on our news items.

We want to thank you in helping out on our money making projects also.

We are looking forward to another successful year with your staff.

Thank you,
Mrs. F. Klassen
Publicity Chairman

April 27, 1953

Dear Sir:

I wish to thank The Record on behalf of the Crocker PTA and myself for all the cooperation and publicity we have received during the past year. We all realize that our various projects would not have been so successful if we didn't have publicity.

I do know that my successor as publicity chairman for Crocker PTA will receive the same fine cooperation.

Sincerely,
Mrs. Marjorie Johnson

CONGRESSMAN YOUNGER REPORTS ON RECENT ACTIVITIES IN WASHINGTON

By J. Arthur Younger

Our committee on Interstate and Foreign Commerce has been investigating color television with the idea of determining why it is not available to the public at this time, and now that we have finished the investigation, I can give you the story in brief.

To understand the situation, I will have to give you a little of the back history. In 1950 the Federal Communication Commission after hearings approved the color broadcasting standards recommended by CBS known as the field sequential system. In the opinion of the Commission, they found that this system produced the best color picture at that time. When this decision was made, there was only about 5 million television sets is use throughout the country. Some color receiving sets were manufactured, but the price of $600 a set did not encourage public acceptance. Also there were only about 13 hours a week of color broadcasting.

Immediately law suits were filed to determine the legal authority of the Federal Communications Commission to adopt standards for the color broadcasting. This case went to the Supreme Court which held with the FCC, but just as the way seemed to be cleared again for the manufacture of sets and broadcasting, the War Production Board issued an order prohibiting the use of any critical materials in the development of color television.

This was the only order issued by the War Production Board which prohibits the use of material to gain an end result, for bear in mind that the industry was still permitted to use the materials for the manufacture of black and white receiving sets. In fact, over 7 million black and white sets were manufactured in 1951. This freeze, of course, was completely effective and was only lifted when our committee started its investigation.

Our committee is convinced, I believe, that colored television has advanced to a point where it is ready for commercial use and should be made available to the public within another year. Undoubtedly the Federal Communications Commission will hold hearings within a reasonable time to determine whether or not to change the standard of its color signal or to permit the two color television systems to be advanced side by side and let the public determine which is better.

While our Committee was on this investigating trip to New York, I unfortunately missed two roll calls. The first was to extend for three years the availability of the Mexican agricultural workers. I would have voted for the extension, which was carried 259 to 84. The second roll call was to relieve 25 national banks of double stock liability because they failed to publish a notice required by the 1935 act which granted exemption of double liability to national bank stockholders. This bill also eliminated the necessity of national banks furnishing to the comptroller of currency a list of stockholders each year and substituted the requirement that the banks furnish a list of stockholders when required by the comptroller. I would have voted for the measure had I been present but the roll call was on a motion to recommit, which lost 79 to 239. The measure was then passed by a voice vote.

Women's Club Will View China, Floral Arrangements

An exhibit of antique china and floral arrangements will be held at the annual Silver Tea of the Women's association of the Broadmoor Community Presbyterian church to be held on Thursday at the home of Mrs. James Fairbanks, 27 Garden lane.

Arrangements have been made for special music, including the appearance of concert pianist Bernadette Kostevitch and soloist Mrs. Carol Freeland, accompanied by Memory Gomez.

At the church nursery experienced supervision will be provided at a cost of 25 cents per child.

All persons are invited to attend.

DWARF DAHLIAS ARE AVAILABLE AS SEEDLINGS

Those showy dwarf dahlias now are available as inexpensive seedling plants, as well as the more expensive tubers, according to the California Bedding Plant Advisory board. The first year, these seedling dahlias form husky tubers which can be stored, divided and replanted like any other dahlia tubers. Or new plants may be set out annually at little cost.

You will stretch your gardening

dollar when you use these seedling dwarf dahlias to fill in large beds and wide side borders. Each plant covers about a square foot, and provides a full season of bloom. Flowers usually are semi-double and colors include just about everything except blues and violets, with many unusual solid and blended shades. Freshly opened blossoms make grand cut flowers as they have long stems, strong heads and fair keeping qualities.

This type of dahlia usually grows about two feet high, and has a deep base growth of thick green leaves that hide the ground. Set out the plants in a warm, sunny location where soil is well-drained, loose and porous. Protect them against gophers, which consider dahlia tubers a great delicacy, and spray for white fly and aphis. Give the plants an occasional heavy irrigation plus regular overhead sprinklings, but be sure the foliage is dry by evening; late evening sprinkling encourages mildew.

Your dahlias will combine well with a background of giant marigolds or zinnias, and a foreground of tall phlox, tall ageratum or petunias. For a low edging, use dwarf marigolds, celosia, dwarf ageratum, verbena or portulace, as all of these plants have the same general cultural requirements as dwarf dahlias.

Bleachers Not Safe

Burlingame high school's football bleachers were declared dangerous in their present condition by the San Mateo high school district board of trustees last week.

Architect Mark Falk recommended early replacement of the quarter-centry old bleachers. He said a continuance of organized cheering sections under the existing condition of the stands would create a dangerous situation.

Garden Club Tour Tuesday Evening

Several gardens will be open to Daly City Garden Club members when the club conducts a garden tour Tuesday evening. Gardens to be visited will be those of Mr. and Mrs. F. C. Salcedo, Mr. and Mrs. Henry de Leon, Mr. and Mrs. S. W. Mollete, Mrs. R. Hunter, Mrs. B. K. Streeter, Mrs. Jean O'Rourke, Mrs. E. Baden, and Mr. and Mrs. C. M. Yohn.

Members and their guests are asked to meet at the home of Mr. and Mrs. F. C. Salcedo,, 809 Randolph street, San Francisco, at 7:45 p.m. The tour will end at the home of Mr. and Mrs. Yohn for a gardening discussion and refreshments.

Anyone interested in gardening who would like to attend the tour may call Mrs. Yohn, PL. 5-5580.

Also during the month of May the garden club is serving a luncheon, May 26th at 1 p.m. at the Crocker Masonic Temple, 17 Hillcrest Drive (top of the hill in Daly City).

Door prizes will be given.

Tickets may be purchased for 75 cents from members or by calling the ticket chairman, Mrs. de Leon, JU. 4-4307.

Spring Garden Show Opens Doors Today

Bolstered by participation of the West's major nurserymen and landscapers, preparations for today's opening of the California Spring Garden show in Oakland are in high gear.

The theme, "Southern Azalea Gardens," is proving one of the most popular in the 21-year history of the floral wonderland with exhibitors, according to Ned S. Rucker, show designer-manager.

All exhibit plots in the exposition building and adjacent outdoor gardens section have been taken as well as all commercial display space in the Hall of Flowers in the Oakland Auditorium Arena, Rucker continued.

A special program of lectures, motion pictures and entertainment for children has been added to the academy of floral arts in the auditorium theater this year to provide four complete shows in one.

The 1953 theme, reflecting azalea gardens of the Old South, is built around a 175-foot-long bayou in the center of the exposition building.

Terminal features are the front of an old southern mansion at the entrance and an early-day summerhouse and historic fountain at the far end.

To enhance the spectacular floral displays, authentic background scenery has been imported for the show, Rucker pointed out. Imports include 5000 pounds of Louisiana moss, hundreds of trees from Northern California and thousands of water hyacinths from the California delta areas.

CANCER FILMS SEEN BY PLAY SCHOOL PARENTS

Films on cancer presented under the auspices of the American Cancer society were shown to parents and friends of the Village play school at their regular Tuesday evening meeting at the Colma community center.

The first meeting in May will be a business meeting at the home of Mrs. Howard Kane. Election of officers for the coming term will be held and refreshments will be served.

At a recent Tuesday evening meeting fathers were guests for a special program and refreshments. Three mothers of the school took part in a play illustrating various children's behavior problems and parent's methods of coping with them. Mr. Merritt Beckerman, a member of the legislative committee, reported on the progress being made in opposition to Senate Bill 1922 restricting adult education now before the state legislature. He urged all in attendance to give their support to the defeat of the bill.

Needn't Be Expert To Enjoy County's Annual Rose Show

As May 3rd, the date of the annual rose show and tea of the San Mateo County Rose Society approaches, Clay Morgan, Jr., the Society's president, points out that it is not necessary to be a rose expert to enjoy the show to the fullest.

The society is fortunate in having the lovely estate ROSEACRE, 863 Chiltern Road, Hillsborough, as a background for the show. Besides the specimen roses entered in the contest by society members and the public, and the rose arrangements by garden clubs and florists, the Newman rose gardens always afford particular joy.

A last minute check of the garden shows that the various terraces are in readiness, with roses labeled individually where they are planted alone, or as a group where more than one of a variety is planted. The famed Santa Clara Weepers which frame the shrine of the Patron Saint of the Garden, promise to be in full bloom this year. Others which promise to be particularly good are High Noon, China Doll, Diamond Jubilee and Sutters Gold. The Picture Pillar roses at the Roseacre gates are again in all their glory.

To understand how judging of the specimen blooms is done, one need merely to refer to the official program which every person attending will receive as a souvenir.

In the case of the new PUBLIC CLASS, Mr. Morgan wishes to announce that people exhibiting in this class must have their blooms at Roseacre by 11 a.m. on show day.

Roads will be well marked through Hillsborough to ROSEACRE, with both El Camino Real and Skyline boulevard indicating the turn-off point. Free bus service for those desiring it, will start at West Santa Inez and El Camino Real, whisking guests straight to the ROSEACRE gates.

MY MAD WORLD

by Leonore Brewer

Trying to get from one column to the next:

The feeling of frustration when a topic for an entire future column —Charles Chaplin's renouncing of his United States right—was rudely snatched away by one of the national columnists. Reminding us of Chaplin's hypnotic voice in **Limelight**, and our appreciating his genius for the first time; the only jarring note the scenes when he tries to be funny. And remembering the twelve-year-old behind us who was convulsed by just those scenes. And thinking that there is a profound meaning in this divergence of opinion, a meaning grossly misinterpreted by Hollywood.

The terrific case of mental indigestion after previewing **Life Begins Tomorrow**, with some of its scenes reminding us of Huxley's **Brave New World**. Facing again the bitter truth that it is the few who give everything to the world, with the rest of us just along for the ride. Remembering that G. B. Shaw had a cure for our negligence. Deciding that it wasn't the best film France has given us, but it was a film that only France could give.

Reading of the past musical events that have made this week notable. That on April 30, 1911, a ten-year-old violinist made his debut in St. Petersburg: Jascha Heifitz. And remembering that only last week he was attacked in Israel for playing Richard Strauss. And wondering just how far back into musical history does their ban on German music go; does it stop at Wagner, or is it all inclusive back to Bach.

Noting that on May 3, 1831, Paris heard the world premiere of Herold's **Zampa**, and that on May 6, 1897, Venice heard the world premiere of **La Boheme**, only it was Leoncavallo's, not Puccini's. And wondering if these two forgotten operas have been put on records.

Reading the TV programs, and wondering if the time had come. And looking at the six-month-old Record Catalog with its hieroglyphics marking still unrealized dreams, and seeing the radio speakers, jammed into its corner and with its innards showing, and deciding that the time had not yet come.

And then just sitting, waiting for the typewriter to think of a good closing sentence.

Boy Killed

A three-year-old San Mateo boy was struck down and killed Friday while crossing in a pedestrian lane at Main street and Middlefield road in Redwood City.

David Carl Peck, son of Mr. and Mrs. Rupert J. Peck Jr., of 833 Fallon street, San Mateo received fatal injuries when struck by a car driven by Dennis Robert Gunion, 16, of 4100 Fair Oaks avenue, Menlo Park, a high school student at Menlo-Atherton.

Former Daly City Resident Returns To Far East With Army

THOUGH ONLY 20 years old, Charles Roth, former Daly City resident, has spent a good deal of time in battle theaters. Here Pvt. Roth is shown on a desolate Korean hill with a South Korean fighter. The son of Mrs. Zina Roth, who formerly lived on Crocker street and now at 577 14th avenue, San Francisco. Roth has served six months in the Korean warfare and recently was awarded the purple heart after receiving shrapnel wounds in the face. Roth was born in China, living there for 14 years. During the second World War he lived in bombed out Chinese areas for the duration. He attended Jefferson high school for approximately one year in 1949.

Arboretum Highlights

By unanimous consent of all visitors Golden Gate Park attains the peak of its beauty during the Rhododendron season, which is now here. In the Strybing Arboretum, stress is placed upon Rhododendrons of special merit, novelty or botanical interest, for limited area prevents achievement of mass effects. Deserving of special attention at this time is Rhododendron Falconeri, a treelike species from the Himalayas, with large, loquat-like leaves and large trusses of cream-colored flowers, each with a dark blotch at its base; this may be found near the bandstand entrance. Nearby are coming into flower numerous plants of Rhododendron formosum, with white, fragrant flowers borne in clusters of two or three; this also comes from the Himalayas, more particularly the Khasya Hills, where the annual rainfall may exceed 400 inches. This species has been used for hybridising; and the well-known Rhododendron fragrantissum is one of its offspring. Of garden hybrids one of the finest is coming into bloom close by, this is Rhododendron Hugo de Vries, with dense trusses of large, rose-pink flowers. This is of Dutch origin, and has descended from Rhododendron Pink Pearl.

Of other things, the "Dove Tree" continues to intrigue visitors, with its large, white, pendant bracts that do indeed somewhat resemble so many white doves hovering over the tree. Camellia reticulata, famous for its immense, red, semi-double flowers is still in bloom. The later flowering Japanese Cherries are still good, particularly the varieties "Ukon, Kwanzan and Shirofugen."

Local Lions Name Officers For Year

New Daly City-Colma Lions clubs officers for the coming year were named at the regular luncheon meeting Wednesday.

Handling the gavel as president will be Walt Rector. First vice president is Joseph Belli Jr., while Thomas Laramie and Dan Harris hold down the second and third vice presidencies, respectively.

Continuing as secretary will be R. L. Craner with John Ferrari remaining as treasurer.

Tail twister for the year is Mel Battye and Gerald Mincher will act as Lion tamer.

Directors are:Gil O'Shaugnessy, Ira Neville and Hal Willis.

Their positions will become effective July 1.

At the luncheon gathering the Lions heard as guest speaker the Rev. Byron Eshelman, supervising chaplain at San Quentin.

He told of, in what was described as one of the top speaches ever presented at the luncheons, religion in the prisons and the factors that bring a man to a criminal life.

He also pointed out that the penal code in California is the leading in the nation.

The Rev. Eshelman also described briefly the new department of corrections at Vacaville.

Before starting on a motor trip, have your tires inspected, recommends the California State Automobile Association. Such inspection often will disclose conditions which might otherwise lead to roadside delays, or even a blowout.

Colton Hall in Monterey was the site of California's first constitutional convention in 1849.

Grace Presbyterian Church Plans For Annual Spring Festival To Be Held Friday

Plans were well underway this week for the annual Spring festival, which will be held at Grace Presbyterian Church Friday, May 8.

Mrs. H. S. Garrison, president of the women's council, announced that many atractive and useful items will be sold from the bazaar tables and a bake sale, plant, table, and an innovation for the children will be featured.

Luncheon will be served from 11 a.m. until 2 p.m., under the direction of Mrs. Bertha Kessler, Circle 5.

The Spring dinner will be served from 5:30 until 8 p.m.

Members and friends have been invited to attend.

The first 50 women attending the dinner will receive a corsage, made by Circle 2.

Appointed on the various committees were: Mesdames Frank Specht, Henry Seiler, C. A. Verhagen, Walter Kassler, Clyde Noe and Robert Ward.

Holy Angels Women Hear Speaker From Vallambrose

The Altar society and Mothers' club of Holy Angels parish met recently and heard a talk by Father John Tally of Vallambrose retreat house in Menlo Park.

June 5 to 7 has been reserved at the retreat house for the women of the parish.

It has been announced that Rosary is said constantly from 8 a.m. to 8 p.m. on First Fridays in the church.

This Sunday the children in the second grade will receive their first Holy Communion, after many hours of spiritual guidance and instruction.

Charlene Haught, a second grade student at the new school, was chosen to reign Queen of the May for the Spring Festival May 17. The Dads' committee is planning a spaghetti dinner following the event.

Communion Will Be Celebrated Sunday At Lutheran Church

The Rev. Robert G. Konzelman, B.D., pastor of the Lutheran Church of Our Savior, announces the Sacrament of Holy Communion will be celebrated Sunday morning at the 11 a.m. service. The sermon theme will be "The Household of God."

Sunday school and adult Bible classes are held every Sunday at 9:45 a.m. The church is located on the corner of Garfield and Junipero Serra Blvd. and the telephone number is JU. 4-8501.

Members of the Ladies Guild will attend a meeting at Holy Trinity church, San Carlos, next Wednesday. The conference is sponsored by the Bay Area group of the Women's Missionary federation. A special course of instruction will be given dealing with the functions of the various divisions in the Guild. Registration begins at 9:30.

Ocean View Church To Install Dr. McConnell As New Minister

The Ocean View Christian Church officers and members announce that Dr. Howard Patrick McConnell is to be formally installed as minister of the church on this coming Sunday evening, 8 o'clock, at the Parsonage located at 3521 Alemany. The many friends of the new church are cordially invited to attend the installation service.

Dr. McConnell will speak Sunday morning with "Unlucky Jim" as the title of his sermon. This service is held at 107 Sagamore, just off San Jose avenue, the temporary meeting place of the church for Sunday School and church services until a new building is erected.

Bible Study will be held on Thursday evening in the home of Oliver de Graaf, 633 Randolph street, at 7:30 o'clock.

Village Notes

By
MRS. MARK SWOVERLAND
PLaza 5-4158

Time for another roundup of news from our neighbors.

Washington

Mrs. Helen Mackintosh celebrated a birthday Saturday, April 25.

On April 22, Betty Jean Morretti was 6 years old. To help celebrate the occasion the following attended her party: Mrs. Bill Hughes, Mrs. Douglas Alexander and Doug and Pamela, Mrs. James Mackintosh and Steven and Janice, Mrs. L. Johnson and Mike and Mollie, Mrs. Ray Flanagan and Patricia and Mrs. C. Snover and Patsy.

Village Lane

Mr. and Mrs. T. Henry visited former neighbors Mr. and Mrs. Leonard Beecher last Saturday, April 25. The trip took them to the Sonoma Valley.

Bonnie Lee Arnold had a tenth birthday last Saturday, April 25, and twelve of her girl friends helped join in on the party festivities.

Louvaine Drive

Farewells were said last Saturday to Mr. and Mrs. Jack Hoyt and son Jeff who moved to Menlo Park.

Mrs. V. E. Hixson was hostess at a Stanley Party Friday night, April 24. Those present were: Betty Roeder, E. Kafeyan, Grace Ginsberg, Mary Tullis, Olga Thompson. The demonstrater was Frances Kelly.

Mrs. Bea Gantert was hostess at a Sarah Coventry Jewelry Party last Thursday, April 23. Those in attendance were: Mrs. Aileen Johnson, Mrs. Gracia Krueger, Mrs. Martha Penny, Mrs. Louise Hixon, Mrs. Nicky Driscoll, Mrs. Jean Hollaway, Mrs. Lillion Hoyt, Mrs. Judy Wilson, Mrs. Barbara Bodmer, Kathy Fadell. Mrs. Jerrie Horgan was the demonstrater.

Rickie Gantert was host at a cake and ice cream party Tuesday, April 28, to celebrate his fourth birthday. The children present were: Rayme and Beth Lichtenberg, Cindy Krueger, Gale Hixon, John Rizzo. Martin Warmoth and his four sisters were on hand to help going by the names of Marybeth, Kathy, Barbie and Stefanie.

Foothill

Mr. and Mrs. Walter Brand left for New York last week for a six months trip. While they are away Mrs. Brand's mother and father, Mr. and Mrs. Costa, will occupy their home to keep it in order.

Larchmont

Mrs. Jesse Glasse flew to Chicago to visit her daughter, Mrs. Jesse W. Tapp Jr., and meet her new granddaughter, Elizabeth Dicky, who arrived April 18 weighing 7 lbs. 14 ozs. Mrs. Glasse also took advantage of her trip to visit her second son, Rev. James D. Glasse and family in Tennessee.

Sweetwood

Mr. and Mrs. Bud Gannon with children, Jimmy and Kathy, have returned from a month's trip to Idaho where they visited Mrs. Gannon's family.

Gilman

It's a boy for the David Nagel's. He made his appearance April 16 and weighed 6 lbs. 7 ozs. He has been named Edmond David.

Nimitz

Mr. and Mrs. S. Marconi are parents of a baby boy who was born April 15 and weighed 7 lbs. He will be called John Francis.

Scouts

Girl Scout Troop 23 had a picnic and cook-out Saturday, April 25, at Camp Mattrup under the supervision of their leaders.

Girl Scout Mothers Group of Troop 84 will hold an apron sale at Kings Market Saturday, May 2.

PTA

The James L. Snell PTA held open house at Garden Village School Tuesday, April 28.

Midway

We were sorry to hear that Mr. and Mrs. Robert Mattson and children, Alex, Brian and Dennis, have moved but are glad that it is close by in Daly City.

Don't forget the Silver Tea given by the Women's Assn. of the Broadmoor Community church Thursday, May 7, at the home of Mrs. James Fairbanks, 27 Garden Lane, Garden Village. Baby sitters are available. It will be held from 2 to 5 p.m.

87th

Mrs. Dagne Golladay entertained at a luncheon Wednesday, April 22, for the following: Mrs. Margaret Damon, Mrs. Jean Cyr and Mrs. Damon, Sr.

It was a sixth birthday for Judy Hershberg, April 21.

Sherry Bechtold was four years old April 21. To celebrate this day a group of children were gathered around the neighborhood and then were taken to the Kiddie Playland in San Carlos for an afternoon of fun.

Hillside President Attends Convention

Mrs. Anthony Gaggero of Hillside PTA flew to Long Beach Monday to attend the Parent-Teachers Convention. She remained in the southern city until today. It was a state-wide convention with over 4000 delegates expected to attend. Mrs. Gaggero was recently installed as the new president of the Hillside unit of Parent-Teachers of the Colma and Benjamin Franklin schools.

The May board meeting of the new officers will be held at the home of Mrs. A. J. Gaggero, 6 West Cavour street, on May 11, at 9:30 a.m.

The regular meeting of the unit will be held at the Colma school on May 20 at 8 p.m. Miss Lee Crouch, director of Women's activities of the U. S. Forest Service and a member of the division of information and education, will speak. She plans to bring a film with her, "Wild Life and the Human Touch." She will speak briefly on conservation and forestry.

Auxiliary President Makes Several Appointments

Starting the first meeting of her second year as the popular President of the Ladies Auxiliary to the Veterans of Foreign Wars of the U. S. Lake Merced Post 9921, Mrs. Rose Fisher announced the following appointments at a meeting held at the Broadmoor Community Center Tuesday night:

Patriotic Instructor, Helen Reich; historian, Hazel Eagleton; flag bearer, Anita Woods.

Highlight of the evening was the installation of Stella Magoon as treasurer and Maxine Barnes as color bearer. Past president Hazel Eagleton acted as installing officer.

Guests included the following members of the Tanforan Auxiliary 2517: Irene Aurand, Katherine Okulove, Jeslyn Walsh, Lorraine Turla, Alice Schlamm.

Mrs. Magoon was also awarded her five-year pin.

Buddy poppy chairman Anita Woods plans an active program for the annual drive next month.

San Francisco was first known as "El paraje de Yerba Buena"—the place of good herbs.

OLPH Mothers Club To Hold Dessert Whist

Our Lady of Perpetual Help Mothers club will hold a dessert whist party in the school auditorium Tuesday at 1 o'clock.

The first grade mothers are in charge. Mrs. Eleanor Mumford is chairman and Mrs. Jennie Carr is handling refreshments.

Troop 84 Mothers Hold Apron Sale At King's Tomorrow

The Mothers' club of Boy Scout Troop 84, Broadmoor, will hold an apron sale tomorrow at King's market.

Proceeds of the sale will go towards a fund to send one of the troop's scouts to the National Jamboree to be held on the Irvine ranch near Santa Anna in July.

At the last meeting of the mothers' group, those present prepared the aprons for tomorrow's sale. The gathering was held at the home of Mrs. Joan Tomlinson, 241 Station avenue. She was assisted by Mrs. Nathan Temkin.

The next meeting will be held May 12 at the home of Mrs. Leroy Kruger, 1816 Louvaine drive.

Daly City Scouts Attend Conference In Pacific Grove

"Today's Scout Tomorrow's Woman," was the theme of the Peninsula Senior Scout conference held Saturday and Sunday.

Senior Scouts from San Mateo and Santa Clara counties were invited to Asilomar, Pacific Grove. The 126 Scouts who were present enjoyed hikes, a trip to Carmel, lectures and discussions.

Lectures were given by the following professional women:

Mrs. Margaret Hawkins, executive director, family service association of Palo Alto; Miss Evelyn Deane, executive secretary of Mills college alumni; Miss Betty Lumpkin, former exchange counsellor to Belgium.

The interest of the girls was held by each speaker through their interesting topics. Discussion by the girls followed each talk.

Those present from the Daly City area were:

Judith Brandt, Drena Guaraldi, Carol Hansen, Barbara McCowan, Carol McInerney, Charlene Taylor, Cherryl Taylor and Mrs. John Hansen. The above girls represented Mariner Scout Troop No. 4.

Cub Scout Pack 63 Meets Cubmaster

Cub Scout Pack 63's new cubmaster and committee members were introduced at a recent meeting.

Now in charge of the pack is Henry Grandin, while Frank Murrey is his assistant. Committee members are: John De Goot, Fred Cox, William Bradshaw, Dino Rovai, George Strieff, James Hamilton, Ronald Caruso, Miguel Yriberri and Art Eikenberry.

Graduation certificates were received by the following at ceremonies conducted during the meeting: Don Cubic, Jerry Courts, John Vinal, John Terrango and Mike Linten.

Awards were received by the following boys: John Victorino, Roy De Groot, Tom McEntee, James Driggers, James Cavellini, James Pierce, Roy Cavellini, John Vinal, Jeffry Eichenberry, Michael Crystal, Leonard Mejia, Terry Fairchild, James Caruso and Don Cub.

Following the meet parents and cubs enjoyed a social gathering. Ice cream and cookies were served.

Lt. Harry Aubright Joins Anti-Aircraft Battalion In Korea

Army 2nd Lt. Harry P. Aubright, whose wife, Irene Anita, lives at 7395 Mission street, Daly City, recently joined the 40th Infantry Division's 140th Anti-Aircraft Artillery Battalion in Korea.

Aubright entered the Army in January, 1952. He received his commission upon graduation from the Reserve Officers Training Corps program at the University of San Francisco.

His mother, Mrs. Velma Allyn Cano, lives at 2841 MacArthur boulevard, Oakland. His father, Harry P. Aubright, lives at 1414 Guadalajara place, Claremont.

Old Glory Auxiliary Assists Installation At Ocean Shore

Saturday evening the newly installed president of Old Glory Auxiliary, Elizabeth Sorensen, accompanied by Marie Gehrig, Clara Poket, Lena Pardini, Catherine McKeown and Josie Valenti, assisted Eleanore Cochran, who was installing conductress, in the installation of officer of Ocean Shore Auxiliary at their meeting hall in Sharp Park.

After the installation Mesdames Valenti, Gehrig, McKeown and Pardini went to the installation of officers at the Tanforan Auxiliary at San Bruno.

Ruth Brulez, Marjorie Johnson and Catherine Henriques also visited the San Bruno installation.

At the previous meeting President Gehrig turned the gavel over to the installing officer, Lorraine Schneider, who is president of San Mateo-Santa Clara counties council, also a past president of Old Glory Auxiliary.

Former Daly City Resident Leaves Estate To Cancer

Because Miss Grace Naibert of Daly City knew from first-hand experience of the suffering which cancer brings, the San Mateo County Branch of the American Cancer Society today announced that it has received $5,650.98 from her estate.

Miss Naibert died at the age of 75 in the Community Hospital of San Mateo county on July 16, 1952.

A part-time housekeeper and domestic worker, she lived in a modest little home, which in her will she directed be sold after her death so that proceeds from the sale could go to the American Cancer Society for support of its programs of cancer research, education, and service.

Her cherished trinkets, bric-a-brac, doll head collection, and silver objects she left to relatives and friends, particularly the neighborhood women who helped care for her during her lengthy last illness.

Executrix of the estate was Mrs. Josephine Van Hoesen of San Mateo, a former employer.

Mr. George Dado, President of the San Mateo County Branch of the American Cancer Society, said that 40 per cent of Miss Naibert's legacy will remain in San Mateo County to carry on educational and research projects sponsored by his Branch, 40 per cent will be used by the National office of the American Cancer Society, primarily in support of scientific research projects, and 20 per cent will be used by the California Division of the Society in support of its educational work.

Mothers Club Thanks Those Who Helped In Fashion Show

The annual Spring fashion show and luncheon held Saturday, April 18, in the school auditorium was carried out in an English theme.

Fashions were furnished by Worth's of 2442 Mission street, Lu Ann Hat Shop of 24th street, and Westlake Fashions. Childrens clothes were from Lad & Lassie of Westlake.

Tables were decorated with gardenias and fern, while makeup was by Mrs. Florence English, beauty counselor.

Hair styles were by Charles La Vons Penthouse Salon and jewelry was by Coventry.

All those who helped in any way to make the show a success were thanked by the club.

Mr. and Mrs. Karl Kettler of the Relish Bakery, and Luciers of 6540 Mission were also thanked for their help with the luncheon.

Local Blood Drive Falls Short Of Mark

Daly City's quest for blood fell 69 pints short of the mark in the drive held here Tuesday, but a total of 40 pints of the vital fluid were donated.

Approximately 60 persons showed up at the mobile bank out of the 80 who pledged to give, but 20 were rejected because of ill health or other reasons.

Goal for the drive, sponsored by the Daly City-Colma Lions, was 100 pints.

Mel Battye and Dr. John Karsant, co-chairmen for the Lions' project, extended their thanks to the F.O.E. for loan of their hall; King's market for supplying free orange juice and coffee; Daly City Cab company for providing free transportation to the mobile unit; and the various PTA's who lended their assistance.

Third Son Is Born To The George Bradleys

A son, their third, was born Saturday at Mary's Help hospital to Mr. and Mrs. George Bradley, 718 Bellevue avenue.

The child, weighing 6 lbs., 6 ozs., at birth, was named William Allen Bradley.

The Bradleys have two other sons, George Jr., 3, and Jim, 5.

Mother and son are reported doing well.

Woodrow Wilson PTA Members Enjoy Seeing Film

The last meeting of the Woodrow Wilson PTA took place April 21. The film "San Francisco At Play" started the program and was enjoyed by all.

A short business meeting took place, after which a life membership was given to Miss B. Sharp, teacher. It was presented to her by Mrs. E. Hahn.

Outgoing president, Mrs. R. Williams, then expressed her thanks to her co-workers for outstanding service to the association during the year and presented each with a certificate of service award. She also presented Woodrow Wilson school with a Newcomb record player, and an Admiral table model radio as a gift from the PTA.

Mrs. J. Mills, counselor, then installed the following officers:

President, Mrs. O. Simonsen; Vice Preident, Mrs. K. Mille; Honorary Vice President, Mrs. E. Hahn; Recording Secretary, Mrs. C. Tydingco; Corresponding Secretary, Mrs. R. Lobel; Treasurer, Mrs. M. Plansky; Auditor, Mrs. H. Cosmos; Historian, Mrs. A. Venturini; Parliamentarian, Mrs. R. Williams.

New President Mrs. O. Simonsen then took over her office and expressed her thanks to all for electing her. She promised to fulfill her office to the best of her ability. She then presented Mrs. R. Williams with a gift from teachers and PTA board members—a set of cups and saucers.

Pie and coffee were served by first grade mothers.

Friday at noon a luncheon was held at the home of Mrs. M. Plansky for old and new officers.

Mr. and Mrs. Bill Ferro Parents Of Baby Girl

Pamela Jean is the name chosen by Mr. and Mrs. Bill Ferro for their first child, born April 15 at Mills Memorial hospital. The new arrival weighed 8 pounds.

The mother is the former Jean London, graduate of Jefferson high. Her husband was graduated from Serra high, and is now serving with the Navy as a hospitalman, 3/c, in Japan.

BEWARE DROWSINESS

Watch out for drowsiness when driving long stretches at night, warns the National Automobile Club. A drowsy driver can fall asleep, and that can mean disaster.

NEW ARRIVALS

BOYD—April 20, to Mr. and Mrs. Marvin L. Boyd, 333 Glenwood avenue, a son.

JEFFS FACE TOUGH GO IN TRACK FINALS

Locals Will Send Seven Varsity Spikemen To Stanford; San Mateo To Send 25

Jefferson high's varsity track team will be entered in seven events when the PAL finals get underway tomorrow at 1:30 o'clock at the Stanford stadium.

The Jeffs will offer four good sprinters, but the big problem is the fact that some of northern California's best will be in there against them.

In Friday's qualifying Len Monson turned in a 51.8 quarter, a time that would take most prep leagues, but had to be content with a third in the race—won in 50.8 by San Mateo's Lloyd Arterburn. Wally Honeywell posted a fourth in the 440, behind Monson.

Schenone In 880

In the half mile Al Schenone will find himself in the same spot. The Speedy Indian has run a 2:04 half-mile, an excellent time for high school, but will be facing three of the four best 880 men in Northern California in tomorrow's race.

Two of the half-milers are from Willow Glen and one is from Lincoln. One of them is reputed to have run a 1:58, fast enough to take a lot of college meets.

In the half-mile relay the Jeffs combo of Schenone, Honeywell, Bill Butler and Monson stands a good chance to place well up in the front runners.

Break Jeff Record

In the qualifying at Burlingame Friday they toured the distance in 1:34.8, breaking the Jefferson school record by 1.5 seconds. Even at that, they were forced to take third behind Burlingame and San Mateo. The winners posted a 1:32.1 race, best time of the PAL season.

Only field performer in the Jefferson varsity colors tomorrow will be Bill Butler, who won the broad jump qualifying with a leap of 19 ft. 10 in.

The 30s boast Jefferson's best candidate for a first place in the big meet.

Top 330 Man

Wayne Webb captured the 330 in 38.4 last week, and has recorded a 37.6 effort. Only one sprinter in the league, Bob Walgrath of Willow Glen, has bettered that time this season. He has racked up a 37.5 race. If both boys are at top performance tomorrow, one of them might be pushed to better the league standard of 37.4.

Dave Coates is another lightweight who might finish well in front. He was third in the 70 yard high hurdles in a race that was very close.

Gary Baker will vie in the 30s 660 race and Jim Rector and John Marshall will attempt to win points in the 1320. All stand a good chance of placing.

Klaisner Tops 20s

In the 20s Lowell Klaisner is the best for league honors. He won his 75 heat in the qualifying and scored in the 150. Jerry Sullivan qualified in the 120 yard lows. Cliff Lawson was runner-up in 330 qualifying and stands a good chance of finishing with the winners tomorrow. Duane Hale managed a third in his heat of the event and also may come in for a share of the honors.

Pegged as lead-pipe cinches to capture tomorrow's varsity crown are the San Mateo Bearcats. They qualified 25 men for the finals and should have a comparatively easy time of it. San Mateo also lead qualifying in the 30s and 20s, with 15 and 10 men respectively.

Post-Season Meets

Tomorrow's track extravaganza will wind up the league season, but Coach Ernie Ribera has several post-season engagements in mind. He will probably send his mile relay contingent to the Hollister relays relays and the Modesto relays. The North Coast Section meet fal's on the same weekend as the Modesto race, so the locals may forego the former.

These Were The Big Six In The Daly City-Colma Bowling League

THE CHAMPS — Members of Hilltop Cab's bowling champions in the Daly City-Caolma Bowling league are shown here at Tuesday night's sweepstakes in Brentwood. The Hilltop crew weathered the six months season, emerging three games in front of the two teams tied for second. Left to right are: Dom Lenzini, Pete Collodi, Paul Bruch, Warren Benson and Bruce Freeman. Kneeling at front is team captain Lloyd Bradley.

THE RECORD photo

Daly City-Colma Bowling League Closes; Hilltop Cab Claims Crown With 57 Wins

The curtain was drawn on the six-months long Daly City-Colma bowling league Tuesday night with the holding of the sweepstakes.

After the half-year siege the Hilltop Cab company came out on top, with 57 wins, 33 losses.

Daly City-Colma Lions and Timossi Motors tied for runner-up honors with 54-36 marks.

High individual game and series for the season were both claimed by Babe DeLuca of Central Club. He rolled a 255 game and a 688 series. His seasonal average of 186 was also tops.

High team game was won by Thur Meat Co., whose 979 wasn't bettered during the competition. High team series went to Homes by Sterling with 2808.

Tuesday a total of $1560 prize money was divided among the league teams. The champs received $127, while the last place Brisbane Lions got $80, figured on a basis of $2.27 for each game won during the season.

The league winners received an impressive trophy and each team member was awarded an individual trophy.

The champs' roster and their individual season averages were Pete Collodi, 163; Dom Lenzini, 164; Warren Benson, 165; Lloyd Bradley, 168; Bruce Freeman, 172; and Paul Bruch, 182.

The league will resume again next September.

JEFF FROSH-SOPH TAKE OVER LEAD IN LEAGUE RACE

Jefferson's frosh-soph team gained undisputed lead in the PAL league last Friday with an 8-7 win over Palo Alto.

The win was their third in four games. San Mateo lost to Capuchino, 4 to 1, and Burlingame was set back by Sepuoia, 4 to 3. The losses were the first for San Mateo and Burlingame.

The Jeffs stymied the would-be tying run in the bottom half of the seventh inning, to squeeze by with the win.

Rich Guisti led the locals, driving in five runs on three singles.

The league pace-setters were scheduled to meet Capuchino, who hold a 2-2 record, here yesterday (Thursday).

Frosh-Soph Standings

	w	l	pct.
Jefferson	3	1	750
San Mateo	2	1	667
Burlingame	2	1	667
San Jose	4	2	667
Sequoia	3	2	600
Capuchino	2	2	500
Menlo - Atherton	2	2	500
South S.F.	2	3	400
Carlmont	2	3	400
Palo Alto	0	5	000

The average depth of the Pacific Ocean is 14,048 feet.

San Francisco is headquarters for the world's largest bank.

MATEANS DROP INDIANS INTO SECOND PLACE

Jefferson high's varsity diamondmen were dropped into second place Tuesday when San Mateo's mound representative held them to a single hit, downing the locals, 5 to 1.

The Mateans pounded Jeff's Don Delbon for three hits in the fourth inning when they singled twice with the bags leaded.

Delbon allowed only three hits for the opposition but was plagued by wildness, loading the bags twice on free passes.

The Jeff hurler was yanked in the sixth inning, when Joe Lewkowitz took over with the basses loaded, the score 3 to 1.

Two pass balls through Catcher John Madden's glove accounted for a couple more runs, though Lewkowitz allowed no hits.

The South San Franciscans, leading the loop with a 4-1 record, had their Tuesday game with Capuchino, 3-2, called off.

Thus the Indians are now in second place.

SOUTH CITY GAME

Last Friday the Jeffs appeared to be going places, as they shut out the South San Francisco team 7 to 0 behind the one-hit mastery of Lewkowitz.

The win moved them into a first place tie with the Warriors.

Lewkowitz was never in danger, fanning nine and giving up only two bases on balls. The lone hit came in the second inning.

Catcher John Madden spearheaded a three-run rally by the Jeffs in the sixth when he doubled with one away. Two walks and three singles accounted for the three runs. The Jeffs piled on three more tallies in the seventh.

Delbon, who garnered the single hit in the San Mateo contest, led his teammates in the SSF game with two for three.

The Jeffs meet Burlingame here today in a league game at 3:15 p.m.

Unprecedented Problem

An unprecedented problem faces the Redwood City elementary school district.

The problem: What to do with more than 100 pupils who with no pre-warning found themselves without classrooms last week after portions of three of the district's school buildings had been condemned as unsafe for occupancy.

The move to shut down sectors of three schools came at a meeting of the district board of trustees when structural engineers from the state division of architecture submitted a report that the schools were unsafe.

Cost of repairing the buildings has been estimated at between $500,000 and $1,000,000.

Tomorrow's Big Day For Isaac Waltons

The world's biggest liars, fishermen, will go forth en masse tomorrow morning an hour before sunrise in quest of that desirable fish—the trout.

Throughout the state tomorrow's opening has been pegged as something between fair and good, with many hot spots here and there, while other locales have been predicted as very poor.

On the local scene, Daly City's fishermen who haven't the time or money to wander far from home should find angling to their liking at Lake Merced.

Lake Poisoned

While the lake was poisoned a year ago to rid it of rough fish, the waters were recently stocked and the state fish and game says there are about 110,000 catchable rainbows on hand.

At time of planting, the smallest fish were five inches long. However, the fish and game men say the lake abounds with natural feed and the rate of growth is phenomenal.

None of the salvelinus irrideus (rainbows) should be less than six inches, they report.

Largest 11 Inches

The largest fish will run about 10 or 11 inches, they said, and by the end of the season should gain a few inches.

Limit at the lake is four fish, any size. One dollar buys a season's ticket. Fishing per day is 25 cents. The season "passes" may be purchased at the lake or at numerous sporting goods outlets.

The department predicts that worms will be the best enticement for early season attempts. No live bait is allowed at the lake, so the Isaac Waltons will have to make sure the creatures are deceased.

For the fisherman who likes to get away from the banks, boats are available at the lake.

Pontoon Floats

The possibility of new pontoon floats in the south lake was announced recently by the manager of the recreation and park department in San Francisco.

The pontoon pier will be 191 feet long and will be located in the south lake parallel to the shoreline between the pump house and the boat house.

LARGE TURNOUT SUNDAY AT POLICE PISTOL MEET

An unexpected crowd of some 65 prospective marksmen turned out Sunday at the pistol range of Ray Ottoboni in Colma for the first try-outs held by the newly formed police pistol team.

Daly City's regular and auxiliary police were well represented, with a total of nearly 15 in attendance.

Although some of the pistolmen's scores were far from the expert category, the enthusiasm shown was promising, Ottoboni said.

James C. Welsh, a member of the regular police department here, led shooting in the non-expert class.

He fired 91 for the slow shooting, 81 for the timed, and 84 for the rapid, compiling a score of 256.

Giving the north end of the county further prominence was the performance of Ray Savage, Broadmoor police chief, who was runner-up to Welsh, with 83, 86, 84, and a total of 253.

Scores for other local policemen were: David Hansen, 90, 76, 58—224; Wayne Carr, 89, 60, 74—223; A. V. Conci, 79, 66, 76—221; Dean Wood, 77, 62, 50—189; James Baird, 39, 51, 48—138; J. K. Coleman, 39, 45, 43—127; P. La Bruzzo, 44, 53, 22—119.

Among the six experts present Ottoboni led the firing with 98, 96, 92, for a total of 286.

The other more experienced shooters made the following marks: Al Heath, 99, 98, 87—284; Robert Geiger, 97, 94, 86—277; William Martens, 98, 94, 85—277; C. V. Clayton, 96, 93, 83—272; Ed Rosing, 97, 90, 80—267.

Nearly every police department in the county was represented at the pistol shoot.

Approximately eight or ten teams of four men each will be formed at a later date, Ottoboni said. Sunday's performances will partially determine the ranking of the shooters.

The first large-scale competition for the new organization will be held in June.

SAUCE FOR GANDER

Every motorist becomes a pedestrian the moment he steps out of his car. The California State Automobile Association suggests drivers set a good example for others by strictly obeying the rules they expect pedestrians to observe when they are driving.

Verducci Builds "Two-Way" Eleven In Spring Practice

Coach Joe Verducci of Daly City started building a "two-way" football team Monday, when some 55 San Francisco State gridders reported for the opening of spring practice. The sessions will last 20 days, as per NCAA regulations.

Line coach Bob Troppman, returning after a year in private business, and end pilot Bill Harkness, will assist Verducci.

Quarterback Maury Duncan, who passed for 1951 yards and 12 touchdowns in nine games, heads the list of 16 returning lettermen. His passing completion average of .511, 89 in 174 attempts, ranked him 7th in the nation.

Tentatively scheduled to open with Duncan in the starting backfield are fullback Johnny Fortson, a fast 180 pounder, and halfbacks Harry Bremond and Dick Nave. Bremmond and Nave are both short and chunky at 160 pounds and both get off quick.

Slated to open in the line are ends Tony Fardella, 185, and George Wehner, 185; tackles Bob Foote, 200, and Mill Pritchard, 215; guards Roy Nonela, 205 and Jess Jones, 185; center, Jerry Harper, 180. Other returning lettermen are linemen Leo Cronin and Larry Connover and backs Rudy Smith, Bob Lualhati and Dick Storm.

All boys except Duncan saw defensive action last year so the change to one-platoon football will not be too tough.

Halfbacks Bob Springer, a fast 180 pounder who was ineligible last year, Dick Warne from St. Mary's and Fil Julabal from City College of San Francisco and quarterback Sal Hiona from CCSF should help the cause.

Verducci feels the team is not as strong as the fine squad which opened in 1952. However, many of the returnees played regularly after injuries racked last year's squad.

The 1953 schedule includes such tough teams as Cal Poly, San Diego State and Fresno State, leaders of the California Collegiate Athletic Association, and Nevada, which is making a comeback after dropping football.

First Sheridan PTA Executive Board Meet Slated For Wednesday

Sheridan PTA will hold its next executive board meeting on Wednesday at 9:30 a.m. in the school.

Mrs. Paul Rau, president, will present a full May calendar for discussion and action. The calendar includes the annual teachers' luncheon, the traffic boys' parade and party, and a meeting of the program committee.

This will be the first board meeting for the recently appointed chairman of the 1953-54 year.

RESOLUTION NO. 12 Calling Special Bond Election North San Mateo County Sanitation District

RESOLVED, by the Board of Directors of the North San Mateo County Sanitation District, San Mateo County, California, that

WHEREAS, this Board has obtained and filed with the Clerk of this Board an engineering report on existing and proposed sanitary facilities for the North San Mateo County Sanitation District, San Mateo County, California, dated November 29, 1952, and the said report has been approved and adopted by this Board after notice and hearing as required by law;

NOW, THEREFORE, IT IS HEREBY RESOLVED, DETERMINED and ORDERED, as follows:

1. A special election is hereby called and ordered to be held on Tuesday, the 2nd day of June, 1953, for the purpose of submitting to the voters of the District the proposition of incurring a bonded indebtedness to obtain funds with which to acquire the property and do the work set forth in the said report.

2. The general objects and purposes for which it is proposed to incur the indebtedness are to finance the acquisition and construction and completion of a sanitary sewerage system for the District.

3. Reference is hereby made to the engineering report entitled "Report on Proposed Sewage Disposal Project for North San Mateo County Sanitation District," dated November 29, 1952, on file with the Clerk of this Board, for particulars.

4. The amount of the bonds proposed to be issued is $600,000.00.

5. The number of years not to exceed which the whole of the bonds are to run is forty (40) years.

6. The bonds shall bear interest at a rate note to exceed six per cent (6%) per annum, payable semi-annually after the first year.

7. The proposition to be submitted to the voters is as follows:

PROPOSITION:

Shall the North San Mateo County Sanitation District, San Mateo County, California, incur a bonded indebtedness of $600,000.00 lawful money of the United States, for the objects and purposes of acquiring and constructing and completing a sanitary sewerage system, consisting of sewage treatment works, outfall sewer, interceptor sewers, and trunk line mains, and storm drainage protective work auxiliary thereto, and the acquisition of lands and easements therefor, together with such incidental work as may be necessary to complete such system?

8. This Board does hereby submit to the voters of the District at the said special election the proposition set forth in the preceding section. If two-thirds of the votes cast are in favor of incurring the bonded indebtedness as proposed, bonds of the District for the amount stated in this Resolution shall be issued and sold.

9. The said special election shall be held and conducted, the votes thereof canvassed, the returns thereof made, and the result thereof ascertained and determined as herein provided; and in all particulars not prescribed by this Resolution, the election shall be conducted in accordance with the general law.

10. There shall be ten (10) precincts for said election, consisting of consolidations of the State and County Election Precincts as last established by the Board of Supervisors of the County of San Mateo for the conduct of State and County elections. Their descriptions, the polling places designated therefor and the election officers to conduct said election are as follows:

Consolidated Election Precinct No. 1 shall include and consist of Daly City Election Precincts Nos. 34, 35, 36, 37, 38, and 39.

Polling Place: Westlake School, Daly City

Inspector: Mrs. Florence K. Marliave, 165 Westdale Avenue

Judge: Mrs. Dorothy R. Friedman, 82 North Mayfair Ave.

Clerk: Mrs. Mercia R. Castle, 31 Cliffside Drive

Consolidated Election Precinct No. 2 shall include and consist of Daly City Election Precincts Nos. 40, 41, 42, 44, 45 and 46.

Polling Place: Doelger Rental Office, 301 South Mayfair Street, Daly City

Inspector: Margaret Bosbery, 126 Westlawn Avenue

Judge: Mrs. Hope E. Thompson, 2 Windsor Drive

Clerk: Mrs. Betts E. Timmons, 20 Forest Grove Drive

Consolidated Election Precinct No. 3 shall include and consist of Daly City Election Precinct No. 43, and Broadmoor Election Precincts Nos. 1, 5, 7, 8 and 9.

Polling Place: Garden Village School, Daly City

Inspector: Mrs. Dagny A. Golladay, 544 87th Street

Judge: Mrs. Alta M. Davis, 611 Manila Way

Clerk: Mrs. Ruth K. Jones, 924 Foothill Drive

Consolidated Election Precinct No. 4 shall include and consist of Broadmoor Election Precincts Nos. 2, 3, 4 and 6, and such portions of Mission Election Precinct No. 1 and Daly City Election Precinct No. 22 as lie within the boundaries of the District.

Polling Place: Jefferson Elementary School, Allemany Street

Inspector: Mrs. Virginia J. Marovich, 1739 Louvaine Drive

Judge: Mrs. Coleman F. Ayle, 555 MacArthur Drive

Clerk: Mrs. Mildred Hansen, 1636 Sweetwood Drive

Consolidated Election Precinct No. 5 shall include and consist of Mission Election Precinct No. 2 and Daly City Election Precincts Nos. 20, 24, 25, 26 and 33.

Polling Place: Thornton Elementary School, First Avenue and Castle Street, Daly City

Inspector: Mrs. Clair Dene Byrnes, 18 Tailwood Drive

Judge: Mrs. Wilma E. Smith, 117 Gambetta Street

Clerk: Mrs. Lillian D. Pickel, 53 Eastlake Avenue

Consolidated Election Precinct No. 6 shall include and consist of Daly City Election Precincts Nos. 18, 19, 21, 23, 31 and 32.

Polling Place: Jefferson Union High School, Daly City

Inspector: Mrs. Sylvia R. Ziegler, 432 Westlake Avenue

Judge: Mrs. Madeline Ford, 65 North Parkview Avenue

Clerk: Mrs. Edith R. Furger, 408 Westlake Avenue

Consolidated Election Precinct No. 7 shall include and consist of Daly City Election Precincts Nos. 13, 14, 15, 16, 17 and 30.

Polling Place: Daly City Fire House No. 2, Vista Grande and Santa Barbara Avenues, Daly City

Inspector: Mrs. Mary K. Voboril, 3 Muirwood Drive

Judge: Mrs. Marie L. Robinson, 246 Los Banos Avenue

Clerk: Mrs. Shirley T. Walker, 101 East Vista Avenue

Consolidated Election Precinct No. 8 shall include and consist of Daly City Election Precincts Nos. 9, 10, 11, 12, 27 and 29.

Polling Place: Daly City Fire House No. 1, 188 Santa Barbara Street, Daly City

Inspector: Mrs. Gertrude E. Johnstone, 6238 Mission Street

Judge: Mrs. Margaret M. Adams, 1215 Brunswick Street

Clerk: Mrs. Anne Verducci, 3262 San Jose Avenue

Consolidated Election Precinct No. 9 shall include and consist of such portion of Brisbane Election Precinct No. 1 as lies within the boundaries of the District, and Daly City Election Precincts Nos. 5, 6, 7, 8, and 28.

Polling Place: Daly City Fire House No. 4, Peoria Street and Roosevelt Way, Daly City

Inspector: Mrs. Kathryn H. Reinhart, 360 Winchester Street

Judge: Mrs. Kathryn McDermott, 636 Templeton Avenue

Clerk: Mrs. Mary J. Bratton, 338 Templeton Avenue

Consolidated Election Precinct No. 10 shall include and consist of such portion of Bayshore Election Precinct No. 1 as lies within the boundaries of the District, and Daly City Election Precincts Nos. 1, 2, 3 and 4.

Polling Place: Fire House No. 5, 373 Bellevue, Daly City

Inspector: Harold H. Henerson, 57 Partridge Lane

Judge: Mrs. Virginia H. Davidson, 581 Hanover St.

Clerk: Mrs. Emma Butcher, 879 Brunswick Street

11. All voters registered in the District are eligible to vote at the said bond election.

12. Ballots for the election shall be provided of the form and to the number provided by law. The Clerk of this Board shall be responsible for the procuring of the necessary rosters, ballot boxes and all other supplies necessary to properly and lawfully conduct the election.

13. The polls shall be opened at 7:00 o'clock A.M. of the day of the election and shall be kept open until 7:00 o'clock P.M. of the same day, when the polls shall be closed, except as to voters in line as provided in Section 5734 of the Elections Code.

14. This Resolution shall be published once a week for three (3) successive weeks in the Record, a newspaper of general circulation circulated in the District and designated by the Board for that purpose. No other notice of the election need by given.

I hereby certify that the foregoing Resolution was duly passed and adopted by the Board of Directors of the North San Mateo County Sanitation District, San Mateo County, California, on this 13th day of April, 1953, by the following vote:

AYES, and in favor thereof, Directors: A. J Gaggero, J. H. Kennedy

Slim Intruder

A full grown rattlesnake was killed last week on the property of Mrs. W. G. Wallace, 18 Dover court, San Carlos.

Mrs. Wallace was attracted by the barking of her pet collie dog, Bonnie. Approaching the dog, she heard the rattles of the snake.

A workman from nearby disposed of the snake with a revolver.

The reptile was more than two feet long and had eight rattles and a button.

SUMMONS

No. 60708

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo, in the office of the Clerk of said Superior Court.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

WANDA JOHNSON,
Plaintiff
vs.
ELLIOTT G. JOHNSON,
Defendant

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:

ELLIOTT G. JOHNSON
Defendant

You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served elsewhere within said County, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 17th day of February, A.D., 1953.

News From The Parks

Marchbanks

Here is the big event everyone has been anxiously awaiting—Fun Day. It will take place at the playground tomorrow. This gala occasion promises fun, excitement and hilarious surprises for all those in attendance.

The Fun Day program is scheduled to get underway at 10 a.m. with the elementary school baseball league games holding the spotlight on the diamond until 12:30 p.m.

One of the main attractions of the day, lunch, consisting of hot dogs, soda pop and ice cream, will be served from 12:30 until 1:15 p.m.

Pre-War Prices

As always, pre-war prices prevail at the park. Hot dogs will be ten cents, soda pop five cents, and ice cream five cents.

After lunch a series of games and contests will take place until 2:15. These games, to be announced, are calculated to provide an hour of entertainment for both spectators and participants.

At 3:15 sports again take the limelight as the second annual baseball contest takes place. Boys in various age groups will compete in three events, the distance throw, circling the bases, and the throw for accuracy. The boys scoring the highest number of points in each age group will be crowned Marchbanks "all around baseball champ." This event gained wide favor last year and a large number of entries is expected. The winners of all contests and games will receive suitable awards.

Elementary Baseball

With the elementary school league now playing on both Mondays and Wednesdays a day seldom goes by without a scheduled game on the Marchbanks diamond.

Last Tuesday the OLPH Bs, a group of seventh graders, beat the OLPH As, made up of eighth graders, in a well played 4-1 contest.

The seventh grade club, who are undefeated in league play, made up for their lack of experience by playing-heads-up ball. The eighth graders lost their own game with frequent walks and untimely errors. The younger club was sparked by Don Coleman, John Finley, Billy Whalen and Joe and Anthony Stagnaro.

Starring for the losers were Dick Nunes and Jackie Bautista.

Winning pitcher was Joe Murphy, while Rich Swicker was charged with the loss.

To prove their Tuesday game was no fluke, the seventh grade aggregation trounced the eighth graders 6 to 2 the following day.

Colma Deadlocks

Those who saw Wednesday's contest between Sharp Park and Colma saw a well-played contest in which the locals were forced to settle for a 1-1 tie. Good pitching by both clubs kept scoring to a minimum. Brandt Rocche and Duncan played outstanding ball for the home team. A rematch between these two clubs would be worth watching.

"Boy of the Week"

This week's choice for the "boy of the week" is little Billy Whalen. This happy fifth grader from OLPH is a coming athletic star. For a ten-year-old Billy has amazing sports potential.

Currently Billy is regular second baseman on the OLPH hardball team and is rapidly becoming the best gloveman on the squad.

Billy's outstanding sportsmanship and cooperation made him the easy choice as Marchbanks boy of the week.

FIRE FIGHTERS' FACTS

By Mel Hanson
Fire Prevention Bureau

This year the annual spring clean-up week will start on Monday, May 18, and will run through May 23.

In the past several years the clean-up week was separate from the regular garbage collection days, and many people became confused as to the correct day to place their rubbish on the curb for collection. The rubbish was scattered all over the sidewalks and streets by children and junk men.

To eliminate this condition your city council and the Daly City Scavenger Company have made arrangements to have all of your discarded rubbish collected the same day as the regular garbage collection.

In order to conduct the clean-up week successfully you are requested to follow these few instructions:

1. Clean up ordinary rubbish from your attic, basement and yard.

Place in sacks, barrels, boxes or other containers.

3. Do not place garbage or dirt in rubbish containers. Do not expect large or heavy things, such as trees, automobile motors or automobile bodies to be picked up.

4. Do not place loose rubbish on the curb or street.

5. Please place your rubbish on the curb in front of your own home or business just as you do for the regular garbage collection.

It is our sincere hope and desire that each householder in Daly City will take advantage of this free rubbish collection.

Daly City is only one town in thousands that participate in an annual spring clean-up week. It is a proven fact, since these clean up weeks started many years ago, that these campaigns have saved many lives and reduced property loss.

The slogan for the campaign is, "Clean up—fix up—paint up." Last year's campaign seemed to be very successful. Many homes were painted to add to the beauty of Daly City.

Postal cards will be mailed to you to remind you of the clean-up week.

Addition to Station 2

K. M. Batchelor, 260 Abbot avenue.

Plans and specifications for the addition of dormitories are now in the hands of several contractors, so they may bid on the new construction. Bids will be opened in the near future and construction will be on the way. Plans call for the revamping of the original building and the building of a dormitory that will accomodate nine men, with all of the rest of the necessary facilities.

Widows and Orphans Ball

The Widows and Orphans annual ball will be held May 9th at the War Memorial building.

WELCOME To Daly City

New Families Moving Into Daly City Recently

The following are new residents of Daly City:

Garrit Zwiep, 667 San Diego avenue.

David L. Snyder, 897 S. Mayfair avenue.

Iva Walker, 120 Irvington street.

J. J. Vane, 1161 Hanover street.

REPLACE FAN BELT

An oil soaked fan belt may slip on the pully, slowing down the fan, water pump and generator. This not only causes an automobile to overheat but also may cause discharging of the battery, according to the California State Automobile Association.

Blanche Maddox Dies At Home Here

Blanche Maddox, a resident here at 72 E. Moltke street the past two years, passed away at her home Sunday at the age of 60.

She was the widow of the late Teddy Alex Maddox, and is survived by a daughter, Mrs. Celeste Hamilton, of this city.

Services were held Monday from W. C. Lasswell & Co., and remains were shipped to Worthington, Indiana, her native state, for interment.

Pismo clams have been used for human consumption for at least several hundred years.
